

# Kennesaw Mountain Mustang NJROTC

## Honor, Courage, Commitment

FROM: CHARLES FERNANDEZ, TREASURER, AND KMHS NJROTC CADET PARENT ORGANIZATION  
RE: FRIENDS AND FAMILY DONATION FOR THE KMHS NJROTC PROGRAM

The NJROTC program is a great pathway for those students who wish to go to college and continue to pursue a career in the U.S. military either through enlisting or through ROTC scholarships and service academies. This is an organization dedicated to instilling patriotism, service to others, character education, personal courage, and success in both the classroom and athletic field.

This past year the cadets were able to participate in many activities including the Academic, Drill, Rifle and Orienteering teams making regional and national championship competitions. The unit's Color Guard and Honor Guard also performed dozens of performances throughout the Cobb County area.

The cadets also participate in 3 to 4 Educational Field Trips throughout the year as well. They have been able to visit Space Camp for the day, Ft. Benning (GA), Parris Island, Washington DC, the Naval Academy, SEAL training in San Diego, CA and various military bases to observe day-to-day operations and military life. The field trips are designed to reinforce what is learned in the classroom.

With all that there is to offer here at KMHS NJROTC, we can't just do it alone. Every year, at this time, we ask for corporate and personal donations to make this program a huge success. **Contrary to popular belief, Junior ROTC units at the high school level receive minimal financial support from the military** and must depend on donations in order to offer cadets these opportunities in drill, athletic events, and orientation trips to military facilities.

Make donations out to KMHS NJROTC CPO

If you would like to donate items or service please contact me at [kmhsnjrotc@hotmail.com](mailto:kmhsnjrotc@hotmail.com).

Charles Fernandez  
Treasurer and Board Member
